Rap 1:

Yeah, I could use a dream or a genie or a wish
To go back to a place much simpler than this
Cause after all the partyin' and smashin' and crashin'
And all the glitz and the glam and the fashion

And all the pandemonium and all the madness
There comes a time where you fade to the blackness
And when you're staring at that phone in your lap
And you hoping but them people never call you back

But that's just how the story unfolds
You get another hand soon after you fold
And when your plans unravel
And they sayin' what would you wish for
If you had one chance

So airplane airplane sorry I'm late
I'm on my way so don't close that gate
If I don't make that then I'll switch my flight
And I'll be right back at it by the end of the night

Rap 2:

Somebody take me back to the days
Before this was a job, before I got paid
Before it ever mattered what I had in my bank
Yeah back when I was tryin' to get a tip at subway

And back when I was rappin' for the hell of it
But now a days we rappin' to stay relevant
I'm guessin that if we can make some wishes outta airplanes
Then maybe yo maybe I'll go back to the days

Before the politics that we call the rap game
And back when ain't nobody listened to my mix tape
And back before I tried to cover up my slang
But this is for the decatur, what's up Bobby Ray

So can I get a wish to end the politics
And get back to the music that started this shit
So here I stand and then again I say
I'm hopin' we can make some wishes outta airplanes?
