Practice Tips: All examples are written to fit both the 2-3 and 3-2 Son Clave. Use the 2-3 and 3-2 Percussion tracks to practice the Montuno and Montuno & Tumbao examples in every Key. Use the cycle of fifths to accomplish that.

More on the Clave: The Son Clave is probably the most prominent clave in today's Salsa. The Rumba Clave is mostly used in folkloric forms such as Rumba, Conga de Comparsa, and Mozambique as well as in most recent Afro-Cuban styles such as Songo.

A hand-drawn musical score for piano montuno. The score consists of two staves. The top staff is labeled "RH" and the bottom staff is labeled "LH". The score is divided into measures by vertical bar lines. The first measure starts with a double bar line followed by a repeat sign. It contains a series of eighth-note patterns: a pair of vertical strokes, a vertical stroke with a diagonal cross, and a vertical stroke with a diagonal cross. The second measure begins with a vertical stroke with a diagonal cross, followed by a vertical stroke with a diagonal cross, and a vertical stroke with a diagonal cross. The third measure starts with a double bar line followed by a repeat sign. It contains a series of eighth-note patterns: a vertical stroke with a diagonal cross, and a vertical stroke with a diagonal cross. The fourth measure begins with a vertical stroke with a diagonal cross, followed by a vertical stroke with a diagonal cross, and a vertical stroke with a diagonal cross. The score is annotated with "Clave: 2/3" above the first measure and "Clave: 3/2" above the third measure. The left margin of the page has the number "13" written vertically.

Hand drumming notation for Bass Tumbao. The notation is divided into two sections by vertical bar lines. The first section, labeled "Clave: 2/3", consists of two measures. The top measure shows RH (right hand) strokes on the second and third beats, and LH (left hand) strokes on the first and third beats. The bottom measure shows RH strokes on the first and second beats, and LH strokes on the second and third beats. The second section, labeled "Clave: 3/2", also consists of two measures. The top measure shows RH strokes on the first, second, and third beats, and LH strokes on the second and third beats. The bottom measure shows RH strokes on the first, second, and third beats, and LH strokes on the first and second beats. The notation uses vertical bars to indicate strokes and horizontal lines to separate measures. The number "15" is written vertically on the left side of the notation.

The image shows two staves of sheet music for 'Bass Tumbao'. The top staff is labeled 'RH' and the bottom staff is labeled 'LH'. Both staves are in 16th note time signature, indicated by the number '16' on the left. The music consists of vertical bars separated by vertical bar lines. Each bar contains a series of eighth-note-like strokes: vertical dashes for the LH staff and vertical dashes with diagonal strokes for the RH staff. The LH staff has a label 'Clave: 2/3' below it, and the RH staff has a label 'Clave: 3/2' below it. The title 'Bass Tumbao' appears above both staves.

Montunos for Piano

By: Carlos Campos

The sheet music consists of five staves, each representing a different piano montuno variation (labeled 1 through 5). Each staff is in common time (indicated by 'C') and uses a treble clef for the top line and a bass clef for the bottom line. The progression of chords is identical for all variations: F#m7(5), B7(9), Em7, A7, Dm7, G7, and Cmaj7. The notation includes various note values (eighth and sixteenth notes) and rests, with specific fingerings indicated by numbers above or below the notes. Measure numbers (2-3) are placed above the first two measures of each staff.
