Shawn Kingston – Beautiful Girls

Capo on the 2nd fret!!!

<u>chorus</u>

                G
You're way too beautiful girl
      Em
That's why it'll never work
             C   D
You'll have me suicidal, suicidal
        G
When you say it's over

Damn all these beautiful girls
      Em
They only wanna do your dirt
                C   D
They'll have you suicidal, suicidal
         G
When they say it's over

<u>verse</u>
G
See it started at the park

Used to chill at the dark
    Em
Oh when you took my heart

That's when we fell apart
      C
Coz we both thought
    D   G
That love lasts forever (lasts forever)

They say we're too young

To get ourselves sprung
    Em
Oh we didn't care

We made it very clear
       C
And they also said
      D   G
That we couldn't last together (last together)

<u>refrain</u>
G
See it's very define, girl

One of a kind
         Em
But you mush up my mind

You walk to get decline
     C
Oh Lord...
   D
My baby is driving me crazy
