

# Work it Out

John Schultz

Voice

Driv - ing down the high - way with the wind in my hair.

Ga ga on the ra di o and peo ple just stare. A rrive in the ci ty gon' get

cray and don't care! Check in to theroom and, deci de what to wear. Come

— Get a cab! Show — up to the club, make a scene, work it out, come on,

show us some love! When we leave, you will know, what life is a bout. Be

Fierce with your friends, and then you roll out! We show up at the club and

walk past the line. V. I. P. you know us We don't waste time Walk

back to the bar they know what we like. Then hit the floor and

dance all night Come on, Get a cab! Roll — up to the club, make a

scene, work it out, come on, show us some love! When we leave, you will know, what

life is a bout. Be Fierce with your friends, and then you roll out!
