The piano and bass lines have long horizontal lines under the lyrics to indicate accompaniment.

Soft wind is blowing from the clouds

*Lágy szél fúj a felhőkből*

Blowing, freshing air for our hair

*Fújó, frissítő levegő a hajunknak*

Trees whisper me let's dance and sing

*Fák suttogják nekem: táncoljunk és énekeljünk*

It's blowing, it's freshing air for our hair

*Ez fújó, ez frissítő szél a hajunknak*

Let's dance and sing, it's freshing us

*Táncoljunk és énekeljünk ez felfrissít minket*

Blowing, freshing air for our hair

*Fújó, frissítő levegő a hajunknak*

Feel in your hearth the wave of wind.

*Érezd a szívedben a hullámát a szélnek*
