

"Disappear" - Beyonce Knowles

Standard Tuning

Capo III

Em7 G
If I begged and if I cried
D

Would it change the sky tonight
A

Would it give me some light
Em7 G

Should I wait for you to call?
D

Is there any hope at all
A

Are you drifting by?

G
When I think about it
D A
I know that I was never there or even cared

G
The more I think about it
D A

The less that I was able to share with you
G D

I try to reach for you I, can almost feel you
A

You're nearly here
G D A G

And then you disappear
(Disappear, disappear, disappear)

D A G
You disappear
(Disappear, disappear, disappear)

Em7 G
And when I lie all by myself
D
I see your face, I hear your voice
A

My heart stays faithful
Em7 G
And time has come and time has passed
D

If its good it's got to last
A

It feels so right

G
When I think about it
D A
I know that I was never there or even cared

G
The more I think about it
D A
The less that I was able to share with you

G D
I try to reach for you I, can almost feel you
A

You're nearly here
G D A G

And then you disappear
(Disappear, disappear, disappear)

D A G
You disappear
(Disappear, disappear, disappear)

D A E
You, you disappear

G D
I missed all the signs
A E G
One at a time you were ready

D A
What did I know starting our lives

E G
Now my love, I'm ready to shine

(G)
When I think about it
D A
I know that I was never there or even cared

G
The more I think about it
D A
The less that I was able to share with you

G D
